4. ACADEMIC INFORMATION

Study Plans

All study plans are available online, at <https://mobilidade.ipcb.pt/mobilidadenet/page?stage=HomeStudyPlan&language=en>

Language requirements

The IPCB does not have a specific language requirement but we recommended our incoming students to have at least a B1 level of English. The courses are taught in Portuguese and our incoming students can attend language courses at the School of Education. The teaching staff speaks English and makes sure that the pedagogical needs of the Erasmus/ International students are taken into account. Most of the teachers provide English tutorial support on their classes.

Grading System

The Polytechnic Institute of Castelo Branco uses the ECTS Grading system. The number of ECTS credits for each course reflects the total number of hours a student is expected to need, in order to complete it (lectures, homework, reading, essays, consultations, seminars, etc.). One credit corresponds to 27 hours of total student workload.

1 full academic year = 60 credits
1 semester = 30 credits

Local Grade

Grades are awarded on a scale of 0-20 (pass mark 10)

18 to 20	Excellent
16 and 17	Very good
14 and 15	Good
10 to 13	Sufficient
0-9	Fail

Student ranking

Whenever the number of students enrolled per subject is smaller than 100, the ECTS grades should not be used and are replaced by the student ranking: student position (number of students in the same position)/total number of students in the subject.

5. VISA INFORMATION

Our services will provide assistance, when required, in securing visas for incoming mobility participants, according to the requirements of the Erasmus Charter for Higher Education.

6. ACCOMMODATION

Mobility participants can stay at the Students' Residences, upon availability. The IRO service and ESN (Erasmus Student Network) will provide support in finding accommodation.

7. LIVING COSTS

The average monthly costs that students should be prepared to spend is approximately 600-800€:

- Accommodation: 200€
- Food: 250€ (lunch and dinner is available at our canteens for 3.00€/ meal)
- Other expenses (phone, Internet, travelling): 200€

8. INCLUSION AND ACCESSIBILITY

IPCB offers support services for students with learning or physical disabilities, providing material, technical and social aid, whenever possible, within the scope of the Psychological Support Office and the Office for Students with Special Education Needs.

Students and their home institution should inform of any disabilities at the application stage, so that their needs and requirements can be addressed and the right support assured prior to their acceptance.

9. HEALTH INSURANCE

All students have a personal injury insurance when at the school premises and when travelling to and from school.

Students must also hold a valid European Health Insurance Card (EHIC), or equivalent, and we strongly encourage students to have travel an insurance before coming to Portugal.
